

Serial No. 09/288,589 Filed April 8, 1999

Since Applicants have elected the folding species of Group I, which was elected with traverse, this amendment is being requested to clarify the relationship between folding and braiding and Applicants would like amended claim 14 to be among those searched.

**Official  
FAX RECEIVED**

JUL 14 2000

Respectfully submitted **GROUP 1700**
